### Church Survey Results | Sunday, June 14th, 9:30am

Thank you to all who participated in our Church Health Assessment a few weeks ago! We received nearly 500 responses, and the results are ready for review. On Sunday, June 14, during the first part of ABF classes, we will be looking at an executive summary of the overall health of our church, discussing what these results mean, and learning how this survey will be used in our search for our next Senior Pastor. Additionally, Pastor Chuck will be having a meeting in the worship center for an extended time of discussion and Q and A. We are excited to see where God is leading our church!

### Membership Class | Saturday, June 13th, 8:00am - Noon

Are you Interested in becoming a member of Calvary? On Saturday, June 13th, from 8:00am - Noon, we will be having a membership class where you will learn about Calvary's history, the foundations of who we are, where the Lord is leading our church, and what it means to become a member. Registration is available on our website or in the app.

### MAF Hope Takes Flight | June 26th - 27th

Millions of people around the world live cut-off from the gospel, medical care, education, and more. Mission Aviation Fellowship (MAF) seeks to see isolated people changed by the love of Christ by serving alongside others to bring help, hope, and healing to these remote areas. On June 26th and 27th, MAF will be hosting a free event here at Calvary called Hope Takes Flight. This is a unique and immersive discipleship tool designed to bring the Great Commission to life using a virtual reality experience, allowing you to connect with the people and places MAF serves. For more details and registration for the event, you can visit our website or scan the QR code in the bulletin.

### Child Dedication | June 21st

Child dedication is a beautiful moment where parents present their children before the Lord and commit to raise them in a godly home, together with the support of the church. We will be having child dedications at both services on June 21st. To sign up, registration is available online and in the app or stop by the Next Steps area in the lobby.
