VBS - Metamorphosis | August 3rd - 7th

Registration is open for VBS 2026! This year, from August 3rd - 7th, kids will experience the wonder of God-directed life change through the eyes of insects! As we focus on Romans 12:2 and discover God's amazing plan for transformation, kids will embark on a journey through a bug's life! Children will learn about the ultimate metamorphosis God wants us all to experience when we accept Jesus as our Savior. Every time your child sees an insect, they will recall the life-changing power of Christ and be able to see the glory of God all around them! You can sign up online or in the app.

Equipping Hour - ABF's | Sundays from 9:30 - 10:30am

Between our Sunday services, from 9:30 to 10:30am, we have an Equipping Hour for all ages. As a part of the Equipping Hour, we have four Adult Bible Fellowships offering community, connection, and teaching. Practical Theology is examining the Foundations of Ecclesiology, where they unpack foundational truths of the Christian faith and learn how biblical doctrine informs every aspect of life—from worship and family to work, ministry, and culture. Next, Cornerstone is working through a series on the 12 minor prophets—learning about their lives and discovering how God's ancient words still speak clearly to the challenges of our modern world. The Shepherd's Studio's current series is Masterpieces & The Master, a look at the fascinating stories behind great works of art, literature, music, and film, as they reflect God's goodness and beauty woven throughout each unique story. Finally, Living Faithfully is starting a new series called The New Testament You Never Knew, offering an engaging overview of the New Testament, exploring its historical context, central themes, and how each book points to Jesus and God's redemptive plan. If you are not currently part of one of these ABFs, we encourage you to check one out!
