

Jesus welcomed children (Mark 10:14) and encouraged His disciples to do the same (Mark 9:36-37). Mark 10:14 says, *"When Jesus saw this, he was indignant. He said to them, 'Let the little children come to me, and do not hinder them, for the kingdom of God belongs to such as these.'"*

SAT-7, a Middle East and North Africa broadcast media ministry, longs to see children and young people experiencing the fullness of life in Christ. The ministry seeks both to share the gospel with them and equip and encourage Christian children in their faith and witness through:

1. **Supporting Children in Faith** - Give children an opportunity to hear and respond to the Good News and explain how to live out their faith commitment at home, at school, and among their friends.
2. **Promoting Spiritual Growth** - Provide a holistic approach in giving young people physical, mental, and spiritual health through information about nutrition and exercise, promoting emotional well-being, and highlighting the positive effects of the Christian faith, while actively supporting all children, including those with disabilities.
3. **Encouraging Healthy Values and Relationships** - Assist their personal development and promote the maturing of Christian families as a fruitful context for a child's spiritual growth.
4. **Becoming Agents of Change** - Strengthen and encourage young people to have confidence in themselves, to fulfill their potential, supporting their education and equipping them with the knowledge and skills required to serve God effectively, thus making them competent and confident agents of change in their local communities and wider societies.

On Thursday, August 11, Calvary Community Church is sponsoring the broadcast cost on SAT-7 KIDS satellite television channel across the Middle East and North Africa and globally through the SAT-7 PLUS app. Visit the SAT-7 PLUS app www.sat7plus.org to see the programs broadcasting on your sponsored day (www.sat7usa.org/sponsor-a-day).

On August 11, invite your family and friends to join you in prayer for that day's program! Here are two prayer requests for you to pray:

1. Pray for the SAT-7 KIDS show hosts as they share the Gospel message with their millions of viewers.
2. Pray for the millions of children (and their mothers) watching the program as they encounter the Gospel message presented. While some viewers are strengthened in the faith, others are seekers and are encountering the message for the first time.
