

Welcoming Joel and Lizzie Schneider

Joel, our intern from Germany, has officially begun his one year of service at Calvary Community Church. Let's give them a warm welcome!

This is an unpaid internship. The terms of the internship do not allow them to receive a salary. However, we can help them with expenses. An apartment has been made available for a reduced rent and a car has been provided for a year!

How can you help? We would like to cover the cost of their rent and some other expenses while they are here. So far, we have raised \$5,625.00 toward our \$15,000.00 goal. If you would like to contribute to this, please mark your check "Intern."

A huge thank you to the many, many folks who have already donated funds, furnishings, or food to help Joel and Lizzie establish their home.

Joel and Lizzie are a German and an American living in southern Germany. They met at Torchbearers Bible School in Colorado. Lizzie moved to Germany, they were married in 2019, and have lived there since. Together they are passionate for people, serving behind the scenes for church events, and have enjoyed leading the youth group in their hometown in Germany.

Joel is a German theology student who is looking forward to finishing his studies to be a pastor. He loves sports, board games, and good burgers.

Lizzie grew up in Wisconsin and is a worldwide wedding photographer. She has a heart for worship, people, and nature. You may remember her as Lizzie Alberts, who grew up in the Calvary youth group.

We have been communicating with them for approximately two years about this internship but, due to the pandemic, we were not able to proceed. This couple loves to serve the Lord and it is wonderful to finally have them here with us. Joel will be shadowing each of the ministry areas here and Lizzie will be jumping in as well.
